Valentine's Day

What could be sweeter than sharing your Valentine's Day with little ones? Our favorite bunch of kids from Abraham Erb School is coming to perform for us at 10:00am in the Linden Dining Room.

Also, join us that day at 2:30pm for our Sweetheart Friendship Social. Entertainment will be provided by Elizabeth Heinmiller on the piano. Enjoy special treats, tea and coffee. Everyone welcome and as always feel free to bring an old friend from outside Lanark Place to share this event with.

Valentine Recipe

Take lots of love and sentiment,
Mix well with bits of cheer,
Add liberally kind thoughts and deeds
Each day throughout the year.

Stir in a kiss, a warm embrace;
And when that special day
Called valentine's comes round again
in a warm and heartfelt way,

Send her a lacy valentine
That speaks your love to her;
This recipe is sure to please,
Just add each one and stir

This recipe is tried and true;
Just try it and you'll see
Why I believe that true love needs
This faultless recipe!

"The Mouse that Roared"

KCI High school students have invited us to see their feature play called "The Mouse that Roared". Join us on Thursday, February 23rd at 1:15pm at KCI to watch this production.

Everyone is welcome as always! Please sign up at the front desk, spaces are limited.

Mardi Gras

Taste a little bit of New Orleans on Tues, Feb 21st at 2:30pm for our Mardi Gras Party.

Entertainment provided by Andy De Campos, a skilled entertainer welcomed for the first time at Lanark Place!

"Put your hearts into it!"

February is Heart month and Lanark will be doing our part on Wed, Feb 8th as we will be raising money for the Heart and Stroke foundation. We will have an informational speaker in the morning to talk about what services the foundation provides and about Heart disease in general. In the afternoon we will be taking donations during entertainment over coffee & timbits. (Donations will be accepted at the front desk all week long)
